STAT 496
Homework 8 Problems
due Wed. Dec. 7

3 Problems. Show all work.
Please follow the Lab report directions off the homework web page for R Problems. Please work in HW Groups! Indicate the leader for first two problems.

1. p. 213, 9.1

2. p. 217, 9.21

3. The Time Series Project is an individual project. To describe the time series dataset that each of you have chosen for your project, give the following information:

(a) In a sentence or two, describe what quantity is being measured, indexed, etc. over time.

(b) Give the website or source of the dataset.
